

CONTEMPORARY BRIXTON™

Shown in Beachwood

Who says contemporary and comfortable have to be mutually exclusive? Our new Brixton table features clean lines and a sturdy yet streamlined design that showcases a unique "X" foundation — a contemporary look that's nicely balanced with hammered metal details and an antiqued finish that highlights the table's warm, natural patterns and rough-hewn texture. It's a difference you can actually feel, with exceptional quality and playability you're sure to appreciate.
